Double ruby red flowers all summer. Matures at 4ft high and 3ft wide.

Morden Sunrise

Semi double yellow flowers with pinkish centers. Matures at 2ft high 3ft wide

Winnipeg Parks

Lightly scented cherry pink flowers. Matures at 3ft high & wide.

Canadian Roses ○

Roses released by Vineland Research station. These roses were originally part of the Morden Research Station genetics.

Canada Blooms Rose

Rosa x 'Canada Blooms'

Beautiful fragrant, pink flowers that resemble a tender rose, because of its high flower petal count. Grows 30-36" high & wide

Canadian Shield Rose

Rosa x 'Canadian Shield'

Rich red colour. Repeat bloomer. Resistant to black spot and powdery mildew. Grows 3-4ft high & wide. Introduced as part of Canada's 150th Birthday Celebration.

2 gallon \$29.99 each

Explorer Roses ○

Are a hardy group of roses produce at Morden Research Station. They are disease resistant, require little pruning and no winter protection. Reblooming Zone 2-3.

Alexander McKenzie

Semi double bright red flowers. Very tough. Matures at 4ft high & wide.

Champlain

Masses of double true red blooms all season long. Matures at 3ft high & wide.

Frontenac

Clusters of fragrant semi double bright pink blooms. Matures at 3ft high & wide.

George Vancouver

Masses of double cherry red blooms. Matures at 2 ft high & 3ft wide.

John Franklin

Double red blooms all summer. Matures at 4ft high & 3ft wide.

Climbing Roses

John Cabot

Fragrant double rosy red blooms. Matures at 10ft high & 7ft wide.

John Davis

Fragrant double pink blooms all season. Grows 10ft high & 7ft wide.

Canadian Artist Roses ○

Felix Leclerc

Large double rich pink flowers and deep green foliage. Matures at 6ft high & 4ft wide.

Emily Carr

Clusters of large, deep red blooms all season. With its rich flower colour, disease resistant foliage and cold hardiness. Matures 3ft by 4ft.

2 gallon \$26.99 each

Campfire

One of the most exciting hardy roses every introduced. Yellow semi-double blossoms are edged in red and gradually turn to deepest pink. Matures at 3 ft high & wide

*Oscar Pederson

Clean glossy foliage. The large semi-double flowers are pure white with a centre of yellow stamens. Matures at 4-5 ft high and 3ft wide

Never Alone Rose

New introduction from the Canadian Artist Series. Double red flowers all summer. \$1.00 from each rose sold goes to the Never Alone Foundation. Grows 2-3ft.

2 gallon \$29.99 each

Shrub Roses ○

Shrub roses are a very tough group of roses that tend to have thick disease resistant leaves. They mostly bloom once per season. Tolerant of pollution. Zone 2-3.

Blanc Double de Coubert

Fragrant double white flowers in mid summer, followed by rosehips. Matures at 5ft high & wide.

Hansa

Fragrant double reddish pink flowers in mid summer, will rebloom. Produces rosehips. Grows 5ft by 4ft.

Henry Hudson

Pink buds open to fragrant double white blooms. Grows 2ft by 4ft.

Maria Bugnet

Fragrant double white flowers in mid summer. Matures at 4ft high & wide.

Theresa Bugnet

Very long living rose with double soft pink blooms followed by rosehips. Matures at 7ft high & 6ft wide.

Pink Grootendorst

Clusters of tiny double pink flowers in midsummer. Matures at 5ft by 4ft.

Purple Pavement

A hardy rose with reddish purple blooms all season. Disease resistant. Matures at 3ft high & 4ft wide.

Snow Pavement Rose

Double white blooms with a pink blush. Repeat bloomer. Disease resistant. Grows 3ft high & 4ft wide.

Oso Easy Roses ○

A Proven Winners introduction that has glossy green, disease resistant foliage. Repeat bloomer that is self cleaning.

Paprika

Spireas

Spireas are beautiful yet tough plants that will tolerate a wide range of soil conditions. They flower in early spring to early summer. Deer resistant. Zone 3

Tor Birchleaf Spirea

Spiraea betulifolia 'Tor'
Green foliage, red fall color, white flowers. Matures at 2ft high & 3ft wide.

Magic Carpet Spirea

Spiraea japonica 'Magic Carpet'
Yellow foliage with deep red tips, bright red in fall. Pink flowers in early summer. Matures at 2ft high & 3ft wide

MiniSunglow Spirea

Spiraea japonica 'Minisunglow'
Bright yellow foliage with pink flowers in early summer. Very compact growth habit maturing at 1.5ft high & 2ft wide.

Sparkling Carpet Spirea

Spiraea japonica 'Sparkling Carpet'
Bright yellow foliage with red tips that turn red in fall. Pink flowers in early summer. Extremely compact growth maturing at 8-12" high & 18" wide.

Dart's Red Spirea

Spiraea x bumalda 'Dart's Red'
Dark green foliage with red tips that turn purple in fall. Deep Pink flowers in early summer. Matures at 3ft high & 4ft wide

Goldflame Spirea

Spiraea x bumalda 'Goldflame'
Yellow foliage with red tips that turn red in fall. Pink flowers in early summer. Matures at 3ft high & 4ft wide

Three Lobed Spirea

Spiraea trilobata 'Three Lobed'
Dark green lobed foliage With clusters of white flowers in early summer. Purple in fall Matures at 4ft high & 4ft wide

Superstar Spirea

Spiraea x bumalda 'Denistar'
More compact form of the Froebeli Dark green leaves and scarlet Red new growth. Pink flowers Matures at 2-3ft high & wide

Painted Lady Spirea

Spiraea japonica 'Minspi'
Splashy green, yellow & cream Variegated leaves with bright pink flowers. Matures at 2-3ft high & wide. (\$32.99ea)

2 gallon \$26.99each

Goldmound Spirea

Spiraea japonica 'Goldmound'
Lime green foliage, pink flowers in early summer. Matures at 2.5ft high & wide

Little Princess Spirea

Spiraea japonica 'Little Princess'
Green foliage with soft pink flowers in early summer. Compact growth habit at 2ft high & 3ft wide.

Flaming Elf Spirea

Spiraea japonica 'Flaming Elf'
A miniature spirea with orange yellow foliage. Bright pink flowers in early summer. Matures at 18" high & 24" wide.

Froebeli Spirea

Spiraea x bumalda 'Froebeli'
Dark green foliage with red tips, turns purple in fall Pink flowers in early summer. Matures at 4ft high & wide

Crispa Spirea

Spiraea x bumalda 'Crispa'
Dark green foliage that is finely toothed and curled. Deep pink flowers in summer. Matures at 3ft h & 4ft w

Dwarf Garland Spirea

Spiraea arguta compacta
finely textured green leaves with arching branches White flowers in summer Matures at 3' h & 4' w

Snowmound Spirea

Spiraea nipponica 'Snowmound'
Small dark green leaves that turn orange red in fall White flowers in summer Matures at 4ft h & 5ft w

Bridal Wreath Spirea

Spiraea vanhouttei
Bluish green lobed leaves with arching branches White flowers in summer Matures at 6ft h & 5ft w

Sundrop Spirea

Spiraea 'Bailcarol'
Pretty pink flowers in spring with bright gold foliage all summer even in heat. Matures at 12-15" high And 24-36" wide.

Willow

Blue Fox Willow

Salix brachycarpa 'Blue Fox'
Narrow silvery blue foliage all season. Matures at 3ft high & wide

French Pink Pussy Willow

Salix caprea
Produces large fuzzy catkins in early spring followed by deep green foliage. Matures at 15 ft high 10 ft wide.

Hakura Nishiki Willow

Salix integra 'Albomaculata'
White-variegated green foliage with hints of pink which emerges pink in spring. Matures at 8ft high & wide.

Dwarf Arctic Willow

Salix purpurea 'Gracilis'
Narrow blue foliage that turns yellow in fall. Matures at 5ft high & 7ft wide.

2 gallon \$26.99 each

Elders

Elder tend to large, vigorous shrubs with foliage that ranges from green to yellow to purple. Requires a lot of pruning. All produce berries that will attracts birds to the garden. Deer resistant. Zone 3.

Golden Elder

Sambucus canadensis 'Aurea'

5 gallon \$79.99 each
7 gallon \$105.00 each
15 gallon \$190.00 - 220.00

Midnight Shubert Chokecherry

Prunus virginiana 'Midnight Shubert'

Green leaves that turn dark purple in mid June. Fragrant white flowers. Attracts Birds. Resistant to Black Knot. Matures at 25ft high & 20ft wide.

Butternut ○

Juglans cinerea

A medium sized shade tree with a wide spreading canopy and interestingly textured compound leaves. Sweet oily walnuts are edible and attract squirrels. Matures at 50 ft high & 40ft wide.

7-8 ft (5-7g) \$79.99 ea

Rosyblooms ○

Attractive small trees that bring interest to the landscape year round. Fragrant white or pink blooms in early spring followed by berries that will stay through the winter on some varieties. Also brings wildlife to the garden. Zone 3.

Courageous Rosybloom

Malus x 'Durlawrence'

A new introduction that is seedless and features pink flowers in the spring. Grows 15-20 high & 5-10ft wide

Fuchsia Girl Rosybloom

Malus x 'Fuchsia Girl'

Good resistance to fire blight. Deep purple leaves, reddish purple flowers and deep red berries. Matures at 20ft high & 12 ft wide.

Gladiator Rosybloom

Malus x adstringens 'Durleo'

Glossy purple leaves, pink flowers and small purple berries. Upright form. Matures at 20ft high & 9 ft wide.

Radiant Rosybloom

Malus x 'Radiant'

Red foliage that turns green, deep pink flowers and red berries. Matures at 20ft high & wide.

Red Splendor Rosybloom

Malus x 'Red Splendor'

Reddish green foliage, pink flowers and abundant red berries. Grows 20ft high & wide.

Spring Snow Rosybloom

Malus x 'Spring Snow'

Dense oval form with green foliage, white flowers and no fruit. Grows 20 ft high & 12ft wide.

Starlite Rosybloom

Malus x 'Jerstar'

Fragrant white flowers, glossy green foliage and bright red berries. Matures at 25ft high & 15ft wide.

Thunderchild Rosybloom

Malus x 'Thunderchild'

Dark purple leaves, pink flowers and small red fruit. Matures at 20ft high & 15ft wide.

Purple Spires Rosybloom

Malus x adstringens 'Jefspires'

Very narrow growing, purple leaves, rose pink flowers. Grows 15ft high & 6ft wide.

Green Spires Rosybloom

Malus x adstringens 'Jefspires'

Very narrow growing, green leaves, rose pink flowers. Grows 15ft high & 6ft wide.

Lindens

American Linden

Tilia americana

Native tree with large leaves, fragrant flowers. Adaptive to many soil & environmental conditions. Matures at 60ft high & 40ft wide.

Harvest Gold Linden

Tilia mongolica 'Harvest Gold'

Tight upright form, disease free foliage. Bright golden fall color. Matures at 40ft high & 25ft wide.

Greenspire Linden

Tilia cordata 'Greenspire'

Excellent shade tree with a straight trunk, dense crown & dark leathery leaves. Matures at 40ft high & 30ft wide.

Golden Cascade Linden

Tilia cordata 'Golden Cascade'

Offers cascading branches with dark green leaves and a golden yellow fall color. Matures at 40ft high & 25ft wide.

**8-9ft (7g) \$105.00 each
15gallon \$190.00-220**

* Dropmore, Littleleaf and Norlin Linden are also available.

Poplar/ Aspen

Extremely fast growing trees. Suited to very large yards.

Okanese Poplar

Populus x 'Okanese'

Fairly narrow crown, fast growing. Resistant to stem canker, leaf rust & poplar gall mite. Matures at 60ft high & 25ft wide.

North West Poplar

Populus x 'North West'

Fast growing with large shiny green leaves. Likes moist soils. Matures at 50ft high & 40ft wide.

Prairie Sky Poplar

Populus x 'Prairie Sky'

Very upright narrow form. Shiny green leaves Resistant to canker and leaf rust. Matures at 60ft high & 12 ft wide.

Trembling Aspen

Populus tremuloides

Native tree that has white bark and small green leaves that quiver in the wind. Matures at 50ft high & 20ft wide.

5-6 ft (5g) \$39.99 each

Swedish Aspen

Populus x 'North West'

Extremely hardy and fast growing. Striking columnar form. Matures at 35ft high & 4ft wide.

5 ft (5g) \$39.99 each

Elms

Elms are majestic large growing shade trees. There are many new introductions that are resistant to Dutch Elm Disease. Dark green leaves that turn yellow in fall.

Brandon Elm

Ulmus americana 'Brandon'

Extremely hardy and adaptable shade tree with an upright vase-shaped habit of growth and a very dense ascending branch structure. Smaller growing than the American Elm at 60 ft high & 40ft wide.

Discovery Elm

Ulmus davidiana 'Discovery'

A medium sized trees with a very symmetrical vase shape. Extremely hardy and tolerant of many adverse conditions. Grows 40ft high & 30ft wide.

Triumph Elm

Ulmus 'Morton Glossy'

A fast growing elm with an impressive vase shape. Resistant to Dutch Elm. Dark glossy green foliage. 55ft high and 45ft wide.

Spreading Junipers ○●

Spreading junipers add year round interest to the landscape. They range in colors from green to blue to yellow. An excellent groundcover that will add a unique texture to your garden.

Blue Chip Juniper

Silvery blue. Low growing. Grows 1ft high & 5 ft wide.

Blue Rug Juniper (Wiltoni)

Forms a low mat of silvery blue. Grows 8 inches high & 7ft wide.

Hughes Juniper

Silvery blue foliage all season. Grows 12 inches high & 7ft wide.

Icee Blue Juniper

Icy blue foliage that hugs the ground. Grows 8 inches high & 6ft wide.

Andorra Juniper

Blue green foliage that turns purple in fall. Grows 12 inches high & 7ft wide.

Prince of Wales Juniper

Bright green foliage that turns purple in fall. Grows 8 inch high & 7ft wide.

Arcadia Juniper

Bright green foliage all season. Very soft. Grows 2ft high & 7ft wide.

Calgary Carpet Juniper

Bright green foliage, very tight low growing. Grows 15 inches high & 7ft wide.

Skandia Juniper

Very hardy, bright green foliage. Grows 2ft high & 6ft wide.

Savin Juniper

Tall vase shaped growth that is bright green. Grows 3-4ft high 8ft wide.

Blue Danube Juniper

Vase shaped soft blue green foliage. Grows 30 inches high & 8ft wide.

Broadmoor Juniper

Low mounding form with soft dusty green foliage. 2ft high & 7ft wide

Tam Juniper

Low mounding form with soft bluish green foliage. Grows 2ft high & 7ft wide.

Blue Star Juniper

Star shaped foliage that is bright silvery blue. Grows 3 ft high & wide.

2 gallon \$32.99each

Upright Junipers ○●

Add interest and height to the landscape all year round. More tolerant of dry sunny locations than cedars.

Medora Juniper

A compact upright, pyramidal evergreen shrub with soft textured blue needle-like foliage all season long and showy blue berries. Grows 12 feet high & 3feet wide.

Moonglow Juniper

A wide pyramidal evergreen with silvery blue foliage and blue berries. Grows 15ft high & 6ft wide.

Sky Rocket Juniper

A tall narrow growing juniper with silvery blue foliage. Matures at 15ft high & 2ft wide.

Wichita Juniper

An upright pyramidal evergreen with blue foliage. 18ft high & 6ft wide.

5 gallon \$89.99 each

Pyramidal Cedars ○●

Cedars do best in full sun to partial shade. They prefer to grow in average to moist conditions, and shouldn't be allowed to dry out. They are not good in areas that will be hot and sunny during the winter months. This will cause winter burning. Plants in this type of location will have to be covered with burlap for the winter.

Brandon Cedar

Thuja occidentalis 'Brandon'

Bright green foliage that grows in a narrow pyramidal form. Matures at 20 ft high & 5ft wide.

Holmstrup Cedar

Thuja occidentalis 'Holmstrup'

Compact narrow growing pyramidal with airy green foliage. Good hardiness. Matures at 7ft high and 4ft wide.

Emerald Cedar

Thuja occidentalis 'Smaragd'

Bright green foliage that grows in a tight pyramidal form. Matures at 12ft high & 4ft wide.

Sky bound Cedar

Thuja occidentalis 'Skybound'

Hardier than the Brandon Cedar. Rich dark green foliage. Matures at 15ft high & 4 ft wide.

7 gallon (4-5ft) \$69.99 ea

De Groot's Spire Cedar

Thuja occidentalis 'DeGroots Spire'

Slow growing narrow, upright form. Twisted scale like dark green foliage. Matures at 10ft high & 2ft wide.

7 gallon \$69.99 each

10 gallon \$99.99 each

Techny Cedar

Thuja occidentalis 'Techny'

Fast growing evergreen that forms a broad pyramidal shape. Dark green airy foliage. Matures at 12ft high & 6ft wide.

Wareana Cedar

Thuja occidentalis 'Wareana'

An attractive and versatile evergreen, retains a bright green color all year long. Matures at 10 ft high & 8ft wide.

Technito Cedar

Thuja occidentalis 'Bailjohn'

Dark green foliage with a more dense conical form than Techny Cedar. Matures at 6 ft high 2-3ft wide

7 gallon \$69.99 each

Globe Cedars ○●

Globe cedars are available in a number of sizes. They are excellent for foundation plantings or hedges. They like a moist but well drained location. They will attract birds in the winter, as the birds will use the evergreens as shelter.

Woodwardi Globe Cedar

Thuja occidentalis 'Woodwardii'

Large, fast growing cedar that has bright green foliage. Matures at 6ft high & wide. Yearly pruning can keep it more contained.

Little Giant Globe Cedar

Thuja occidentalis 'Little Giant'

Slow growing, compact globe form. Green foliage. Matures at 3-4 ft high & wide. No pruning required.

Danica Globe Cedar

Thuja occidentalis 'Danica'

Extremely tight growing globe cedar. Slow growing. Bright green foliage. Matures at 2ft high & wide.

2 gallon \$34.99 each
