

PLANTING WORKSHOPS

Plant a Miniature Succulent Garden or an Herb Garden to grow indoors! They can be moved outdoors later in May when weather permits. A great way to get your hands dirty early!

All ages welcome! This is not a kid's only class so adult supervision is required for all children under 12. A great activity for the whole family to enjoy!

COST - Pay for supplies only! Soil is FREE at the workshop! We will have succulent plugs for \$4 and herb plugs for \$2. *Any pots or miniatures purchased are 15% OFF the day of the class!*
